Chapter 5

Agent Of Change Translations!

Natsu -niisan,
Did you hear about the family trip overseas?
Yeah,
Azusa texted me.
Chii-chan doesn't have a passport so she's going to get one later.
Chii?

I'm talking about Ema-chan.
...Oh...
Speaking of trips...
But why Chii?
Did something happen at the Villa?
What do you mean?
Hmm...
Chii-chan's been...
Spacing out...
What?

Louis, can you be a bit more specific?
Spacing Out?
Chii-chan might have,
Fallen in love.
Love?

Loui
-loui!
Clack
.....

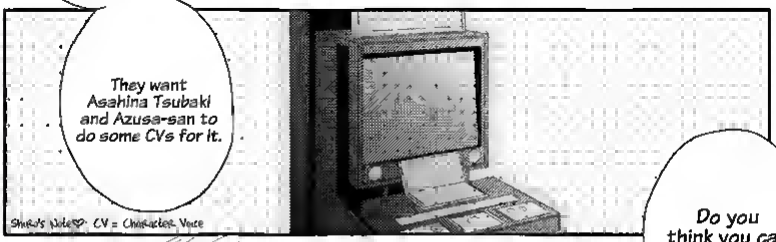
Oh,
Na-kun's here too!
It's been a while!
Wataru -chan,
Chii-chan too.
Welcome you two!
It's been 2 weeks, huh?
Did you come for a haircut too?
Oh, no.
I'm just...
Looking after Wataru -chan...
I see.
Her wound,

But,
Has already healed without a trace.
I still feel it deep in my heart.
The sensation I felt back then.
This feeling that I have towards Ema,
Is a feeling that exceeds far more than how a man should feel about their sister.
It's gotten to the point,

Where I'm jealous of Subaru.
Asahina -kun.

Yes?
Uhm, there's...
2 Favors I want to ask you.
Grin
...What do you want?
Awww c'mon!
Don't give me that look,
It's nothing big.
The first one is this,

ment Park Proposal
Is this the amusement park that's set to open next year?
That's right
The home to our new game.



They want Asahina Tsubaki and Azusa-san to do some CVs for it.
Shiro's Note: CV = Character Voice

Do you think you can somehow,
Nudge us into their busy schedules using your connections? They're popular after all.
No harm in asking, right?
Yeah, You have a point
Sigh...
Normally we would discuss this with the Production Department,

But since this was a direct request from their chief, it's hard to reject.
Jeez...
.....
Now that I think about it...
My brothers are all pretty 'high level'.
There's popular voice actors,
Tsubaki,
And Azusa.
And also,

There's Subaru, who's getting better better at basket ball with every passing second.
Everyone else is like that too.
Doctor
Lawyer
Novelist
Monk (Technically)
Beautician
And even an Idol
She's living under the same roof with amazing siblings like them.
Other than her accepting one of their advances,

It's entirely possible that she may start developing feelings for one of them first.
Chii-chan migh have,
Fallen in love.
I'll be counting on you.
Snaps out
Pardon?
Were you not listening?
LIKE I SAID,

I went to an event in your stead before, right?
The 2nd favor I want to ask is today's Main Topic.
So for saturday's event, which is tomorrow,
You'll work hard in my stead.
What!?
I under-stand...
Okay?
You'll be ac-companying him, Kazamatsuri-kun.
Meeting Room
Alright, that's all for the plan tomorrow.
Good work
Good work everyone!
Well, so that's that
You're so cruel! And it's right on my day off too!
I pity you, Kazamatsuri.

Holy.. Look at the time man, it's ticking around the corner.
I said I was sorry.
I'll treat you to lunch tomorrow, okay?
YOU BETTER!
Yeah, I got it

Compared to all my brothers,

I'm so spiritless.

I'll try searching around park Inokashira.

I was worried about you,

Preliminary Interview
Ohh? You participated in the Hakone long distant relay race?
Yes.
Which block did you run in?
I ran in the 8th block.
That's wonderful, I might've even seen it on TV.
But,
Why would someone with a record like yours want a normal job like this?
Is there a particular reason?
Because...

I wanted to join your company.
Even by my standards,

After calmly thinking about my future,
I decided it was time for me to find a proper job.
Natsu -nii...

I've disappointed him.
That's why I sought reassurance and found a proper job.
I don't regret my decision.
But...
Nor am I skilled at everything like Azusa.
I can't devote myself to chasing a dream like Tsubaki,
How he felt was written all over his face.

Everytime I remember Subaru's expression,
I can't shake off the guilt of quitting halfway.

That's why,
This time I definitely won't quit.
I will never,

Stay here tonight...
Let her go.

Well,
I'm glad you enjoyed youself.

Yup!
Best party I've ever had for passing an exam!
I think it's a little too early to make that call...
When this place officially opens I'd love to come again with all our brothers.
That game we just played allows up to 10 players, right?
Whoa there.
Are you planning on giving us all a whopping?
Eh?
I didn't mean it that way!
Besides,

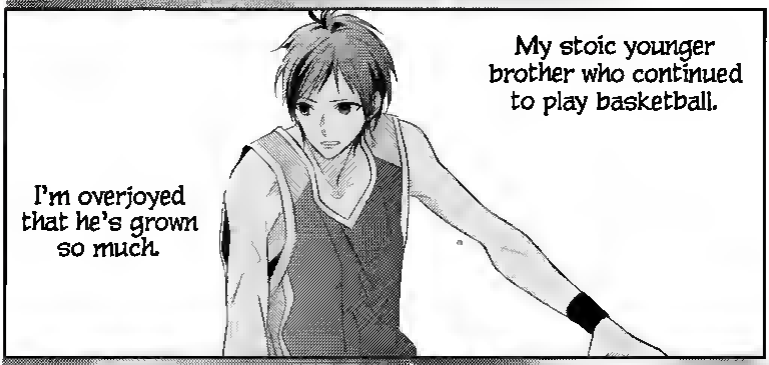
Oh,
And also,
Yeah...
Tsubaki-san and Yusuke-kun are pretty good at gaming too!
They'll be quite formidable
SINCE SUBARU-SAN'S GOOD ENOUGH TO GO PRO NOW,
Those reflexes of his will be hard to beat too!
Pro...?

Subaru's planning on becoming a professional player?

I was planning on,

Confessing my feelings to Ema today.

Until I heard about Subaru decision to go professional.



But on the other hand,

It reminds me of my own incompetence.

He's much more suited for her,

Than someone like me...
Surely she's already had feelings for him for a while now...
If she plans on attending the same university as him...
It's not like there's anything,
Snatch...?

Between Ema and I.
Awww c'mon
You two are totally on a date today.
Ughhh, I wanna get outta here already so I can grab a glass!
Nishina-san, you've never stopped after just one glass before...
Speaking of which,
The liquor you got for me as a souvenir a while back was delicious!
I want a drink that goes down amoothly but packs a punch!
Like ASAP
I think I'll tag along next time...

I took out my frustration,
All on you.
Even though I knew that,
I could never get Ema's love by doing something like that.
That night,
Everything became crystal clear.
Subaru...
But still...
I was able to give my all to Basketball because she was there.

I truly loved her.
It doesn't matter how the journey went,
The important thing is that your hard work paid off, and you've become a pro now.

It's very admirable.
I've always cheered for you and I always will.
Work hard...
Things like this...

Subaru...
I WOULD'VE KNOWN, EVEN IF YOU DIDN'T TELL ME.
Subaru wants to repay Ema for the strength she's given him.
That's what,
Properly,
And Whole-heartedly.

I want to do too.
Azusa
Re

Did you say hi to tonight's VIP?

Take a smoke outside.
CLACK
..Natsume-san?
Is there something wrong? What's the life of the party doing here?
Azusa-san told me that Tsubaki-san was out in the terrace,
And he asked me to call him back in...
Azusa did...?

"I have no intention of giving up,"
"Or backing off."
Well actually we would never forgive you if you weren't at least prepared to do that.
That's what I thought.
I never thought we'd lose to Natsume but,

Even we've,
Never gone into her room before, you know.
I never would've thought that,
Congrats on grduating.
Those two would lend me a hand.

Th-thank you...
Well, I'm going back to the living ro-
Ema!
Please let go.
Why?
I won't.

You don't even,
Think of me as anything.
Hey...
You said that last time too, right?
I happened to overhear,
"It's not like there's anything,"
"Between Ema and I."
What you said to your female colleague at Eden Parks.
That time, huh?
Natsume -san,

YOU'RE GOING OUT WITH HER, ARE YOU NOT?
What...?
No,
She's just my superior from work.
She always likes to tease people,
That's the only reason why I said that to her.
...But during the trip to the villa too, you...
Ohh, About that,

She had to cover something at work for me, I had to thank her for the trouble,
That's all, really.
So...
.....
Oh...
It was just a misunderstanding, that's good to hear...

And why is it something.
Good to hear about?
Well...
Um...
That's because...
I umm...

Love you,
NATSUME -SAN.

Before,
I said that I'd stay by your side.
But I didn't mean it like that.
I WANT TO STAY BY YOUR SIDE.
Being your 'brother' isn't good enough for me.
Me too.

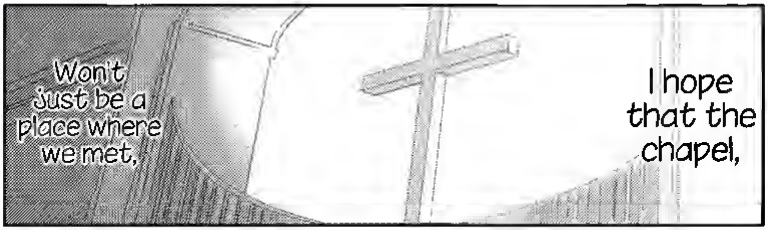
Ema.
BEING YOUR 'SISTER' ISN'T ENOUGH FOR ME EITHER.

Sorry I made you wait.
It's alright, I just got here myself.
More importantly,
How did your colleague's wedding go?
Well...
It was great, the ceremony at least.
What's this? You've got a date after?
Must be niceeee!
A June Bride, how nice.
I look up to them a little.
Now that she mentioned it,

The first time we met,
Was at our parents' wedding.
It almost seems like it was the work of fate.
Just kidding,
it's so out of character to think of these things...
Natsume-san?

Is there something wrong?
Your face looks a little red...
No,
—
...I think I'm coming down with a cold,
Will you look after me?
!
Yes, of course!
Let's get back to your apartment and take a rest..
Alright then,

You'll be staying with me forever.
Because I won't let you leave.
Someday,



I hope that the chapel,
won't just be a place where we met,

But also a place where we'll exchange our vows.

Epilogue
Agent of Change Translations
Lately, Ema's been acting rather strange.
Even when she visits my place,
All she does is look at her texts with a goofy smile.
When I ask her about it,
Oh no, it's nothing. Don't worry about it!
She'll brush me off.
I'll go make us some tea
This all started when...

I ran into Ema on the streets by pure chance while doing my usual rounds.
Around then, she exchanged phone numbers with Kazamatsuri.
Have I been texting Ema-chan?
Of course!
I knew it was you.
What've you guys been texting about?
There's a pretty large age gap between you two after all
Says you.
Oh? What's this? Asahina-kun...
Are you jealous?

They're definitely hiding some-thing from me...
If they won't tell me then...

So it was Kazamatsuri.
Why do you text him so frequently?
Umm...
Well...
Uhh...

SOMETHING YOU CAN'T TELL ME!?
No, that's not it...
Umm...

HELP!

Every month we purchase 2 magazines straight from Japan which costs us $65!

We also purchase Takubon every 3-5 months in bulk for around $40/shipment.
We are now starting to run out of funds,
if you enjoy our work please consider donating.
Any amount would be greatly appreciated!
